

Hawaiian Values

Kuleana

Be responsible for self, belongings, behavior and safety of your group. Please wear name tags.

Laulima

Let's work together to learn about Hawaiian culture and Mānoa Valley by holding each other responsible for our actions.

Aloha 'āina

Let's become land stewards like the ancient Hawaiians. Take care of our 'āina by picking up 'opala (trash), and leaving plants as you find them.

Mālama

Let's take care of ourselves, one another, and our surroundings by putting things back where we found them and being gentle and kind to all things.

Ho'oma'ema'e

Let's be clean and prevent the spread of germs by washing hands after working in the garden, using the restroom, and before eating.
